

Chicago Cycling Club July Ride Schedule

Ride Line: 773-509-8093

Monday, July 4, 2011

Training Ride: Intro to Training Rides (Independence AM)

START: Roadies Dunkin' Donuts, Lincoln & California Avenues
8:30 a.m. 45-50 miles, 18-22 mph

Curious to find out what training rides are about but aren't sure if you can ride at 25 mph? This has the look and feel of a training ride, at a slower pace. Emphasis on smooth riding techniques and paceline etiquette. New start time! Contact Rich Baumgarten at (773) 759-8690

Wednesday, July 6, 2011

Training Ride: Wednesday Night Training Ride

START: Dunkin Donuts, California & Lincoln Aves.

6:30 p.m. 30 miles, 17-26 mph

Take your cycling skills and performance to a higher level. Join us for a fast-paced training ride aimed at increasing your speed and improving your group riding skills. Practice rotating pace lines, close proximity riding and advanced bike handling while building fitness in excess of 18 m.p.h. Traditional style road bikes are strongly recommended. Recumbent, hybrid and mountain bikes are discouraged. A certain level of experience and fitness is expected. The actual pace of the ride will be determined by the ride participants.
